9 Linville Drive, Paris, Kentucky 40361 | 859.987.3600

Our role as a leading provider of healthcare and economic support for our neighbors is driven by our mission of Making Communities Healthier[®]. We are privileged to call this vital community home and proud to be part of a national diversified healthcare delivery network that allows us to continue to enhance how we care for those we serve.

The support of LifePoint Health and community partners like you help us to advance our mission and create places where people choose to come for healthcare, physicians want to practice and employees want to work. Thank you.

—Tommy Haggard, *CEO*

In 2021, we...

...added 12 employed and affiliated providers

Inviting the best possible providers into our community and supporting them is essential to ensuring access to high-quality care. This year, we added providers in anesthesiology, general surgery, interventional pain management, dermatology and radiology.

...made more than \$1.5 million in capital improvements

By continually investing in our facilities, we're helping to ensure that we continue to meet our community's healthcare needs. This year's investments included 3D mammography, a new surgical table and orthopedic drills.

...distributed a payroll of \$16,645,978 to approximately 240 employees

We strive to create an environment where talent is recognized, job satisfaction is valued and our employees can effectively use their skills to provide high-quality care and service.

...donated more than \$3.2 million in services to those in need

Delivering care to all of our neighbors, regardless of their ability to pay, is foundational to our mission and our commitment to our community.

...paid \$3,196,381 in taxes

We are proud to be a leader in our region, and our dedication to ensuring fiscal responsibility extends both to our hospital and to our community.
